A family company

The strenght of a family tradition looking to the future.

Since 1948, three generations have shaped kitchens designed to last and evolve, a true expression of excellence and timeless beauty, inspired by the spirit of Made in Italy.

La forza di una tradizione familiare che guarda al futuro.

Da 1948, tre generazioni danno forma a cucine pensate per durare ed evolversi. Una vera espressione dell'eccellenza e della bellezza senza tempo del Made in Italy.

FR_La force d'une tradition familiale tournée vers l'avenir.
Depuis 1948, trois générations façonnent des cuisines conçues pour durer et évoluer, véritable expression de l'excellence et de la beauté intemporelle du Made in Italy.

Since 1949

T80 / T70 FRAME 1.5 KATE / KELLY / ISABEL / ALEXIA K105

Una collezione vasta e articolata,

capace di abbracciare estetiche diverse con coerenza e identità, dove modelli, materiali e finiture dialogano con naturalezza. Un insieme completo che permette di creare ambienti unici, armoniosi e sempre personali.

EN_ **A wide and articulate collection,** capable of embracing different aesthetics with coherence and identity, where models, materials and finishes interact naturally. A complete offering that allows you to create unique, harmonious and truly personal spaces.

FR_ **Une collection vaste et articulée,** capable d'embrasser des esthétiques diverses avec cohérence et identité, où modèles, matériaux et finitions dialoguent naturellement. Un ensemble complet qui permet de créer des espaces uniques, harmonieux et véritablement personnels.

T80

Progetto innovativo ed esclusivo, le ante spessore 12 mm realizzate con la tecnologia in alveolare di alluminio, sono estremamente leggere e resistenti alla flessione.

EN_ Innovative and exclusive project, the 12 mm thick doors made with aluminium honeycomb technology, are extremely light and resistant to bending.

FR_ D'un design innovant et exclusif, les portes de 12 mm d'épaisseur réalisées avec la technologie alvéolaire en aluminium sont extrêmement légères et résistantes à la flexion.

STORAGE

Corner tall unit closet / Colonne d'angle

A differenza delle colonne ad angolo tradizionali, questa soluzione permette di entrare fisicamente nella colonna, offrendo la possibilità di essere allestita internamente e di inserire alcuni elettrodomestici da libera installazione.

EN_Unlike traditional corner tall units, this solution allows you to physically enter the tall unit, offering the possibility of equipping it internally and inserting some freestanding appliances.

FR_Contrairement aux colonnes d'angle traditionnelles, cette solution permet d'entrer physiquement dans la colonne, offrant ainsi la possibilité d'être aménagée à l'intérieur et d'insérer certains appareils électroménagers autoportants.

Zecchinon è presente in tanti paesi del mondo, oltre a una distribuzione consolidata sul territorio italiano, si aggiunge un network internazionale in continua crescita che comprende circa 300 negozi nel mondo. All'interno di questa rete si aggiungono i negozi monomarca che rappresentano nel mondo la filosofia Zecchinon.

The company is now present in many countries around the world: in addition to the consolidated distribution in Italy, we created an international network of about 300 shops around the world, which is continuously growing. This network also includes flagship stores that represent the Zecchinon philosophy in the world.

Zecchinon est présent dans plusieurs pays dans le monde : outre à une distribution consolidée sur le territoire italien, on ajoute un réseau international qui continue d'augmenter et qui comprend 300 magasins dans le monde. À l'intérieur de ce réseau on ajoute les magasins mono marque qui représentent dans le monde la philosophie Zecchinon.

ZECCHINON CUCINE si riserva il diritto di apportare, senza preavviso, ogni modifica mirata al miglioramento funzionale e qualitativo dei propri prodotti. Testi e disegni presenti in questo stampato hanno scopo divulgativo: per ogni aspetto tecnico e dimensionale fare riferimento ai listini aziendali e relativi aggiornamenti. I campioni di colori e materiali hanno valore indicativo.
